

# **Duncombe Music Policy**

Without music, life is a journey through a desert.

## **Aims**

- To provide opportunities for children to express themselves through music.
- To develop children as musicians.
- To provide opportunities for children to be involved in music making.
- To provide a range of opportunities to perform.
- To celebrate and share achievements.

## **Ways we work**

- Music Co-ordinator ensures music takes place regularly in class and in whole school.
- Each child has opportunity to take part on group singing in assemblies.
- Each class has opportunities to explore music making in class.
- A peripatetic teacher is involved in enhancing musical skills of each child through regular lessons.
- Extra curricular music activities are encouraged through the provision of different music clubs.
- Children have opportunities to perform in school concerts to parents and wider community.
- Children have opportunity to take part in special music activities with specialist musicians and organisations.
