

Messages:

Say hello to our chicks. We got the chance to hold them yesterday! We had to be very gentle.

Topic:

We will continue to keep our chick diaries during our final week with the chicks this week. We will also be looking for the signs of spring in Duncombe's garden and learning about the origins of St Patrick's Day and why people celebrate it.

Maths:

In maths this week, we will continue to look at addition and subtraction. We will also be looking at position and direction. We will be using the language behind, in front of, next to, inside, on top of and under and working in small groups to navigate our Bee Bots and remote controlled cars.

English:

In English this week, we will continue to look at The Little Red Hen. The children will take part in 'Talk for Writing' sessions in which they learn to retell the entire story using actions to help them. They will produce story maps of The Little Red Hen, which will be displayed around the classroom.

Homework:

Please complete the homework sheets in the red folder with your child. There is a phonics activity and a spring challenge sheet from which you should choose **two** activities to do with your child.

Please complete the **EasyPeasy** activity this week with your child.

Homework

Please note that homework folders should be returned to school on Mondays not Tuesdays as this is when the homework is marked.

Please also access **Mathletics** at home this week. Your child's username and password are on the front of their reading diary. You can copy and paste this link into your browser to access the website:
