

Messages:

The children will be having their individual and sibling photographs taken on Tuesday 25th September. If you have not completed the form for a sibling photo, please see the office today.

We are extremely excited about International Day which will be taking place on Thursday 27th September. The children will take part in various activities throughout the day related to the event and parents and families are invited to join our celebration in the school playground from 4.30pm – 6.30pm. Expect lots of delicious food from around the world and great entertainment!

Phonics and spellings:

Children are in groups according to their phonic knowledge. Please support your child at home with their homework, which should be at their level, and spellings.

Spelling tests will be every **Thursday**. Your child will be given 5 words to learn to spell each week and we will let you know their score on the following week's homework.

Maths:

This week, the children will be focussing on place value. They will also continue to represent numbers with the use of practical maths resources such as numicon, counters, beads, and counting bears.

Homework:

Maths homework will be set using mathletics. Your child should be able to access this using the login in their reading diaries. If you need another copy of their login details, please let their class teacher know.

Science:

Our topic in science is 'Seasonal Changes'. This week, the children will go on an Autumn hunt around the school and focus on the different signs of Autumn.

Topic:

Our topic is 'Ourselves'. This week, the children will continue to talk about their families. They will also be learning a song to perform at International Evening on Thursday 27th September.
