

Year 1 Weekly update: 16th May 2018

Messages:

On Friday 18th May, Duncombe are holding a non-uniform day for the Stroke Association. The theme for this non-uniform day is 'Make May Purple'. Children can bring in £1 to wear their own clothes – please wear something purple if possible!

Maths:

This week, the children will be continuing to work on addition and subtraction. They will use a range of strategies to answer addition and subtraction problems: mental methods, counters, drawings, numicon and number lines. The children will be adding and subtracting two digit numbers.

English:

The children will be planning and writing their own information text about seas and oceans. At the beginning of the week, we will read different nonfiction books and make a list of common features. Then the children will spend time researching seas around the world. Towards the end of the week, they will plan and write their own nonfiction text.

Topic and science:

In topic this week, the children will research the location and features of different seas and oceans. They will find out more about different underwater habitats around the world.

In science, we will discuss how to stay safe in the sun.
