

Messages:

If your child is not attending the beach trip on Friday 22nd June they must come to school.

Sports day will be taking place on Monday 25th June at Wray Crescent. Parents and carers are invited to come along to watch the children take part!

Maths:

This week we will be returning to 2D and 3D shape. We will be discussing the properties of these shapes using the language such as sides, corners, vertices, faces and edges. We will move on to discussing the similarities and differences between familiar shapes.

Phonics / Spellings:

This week your child will be learning homophones and near homophones.

Your child needs to copy out each spelling using look, cover, write, check. You may find it useful to have a practice spelling test!

Your child needs to write 3 sentences using as many of the words as they can.

English:

This week the children will be thinking about what they have enjoyed learning about in Year 2 to write their own report comments. You could discuss the sentence stems below with your child at home.

In Year 2, I have enjoyed...

My favourite trip was...

I have improved at...

Next year I would like to get better at...

Topic:

This week we will be cooking chipas. It is a traditional South American dish.

Science:

This week the children will be continuing with their plant experiment. They will be making observations and writing up the results of their experiment.

Homework:

Please learn your spellings and complete the maths homework.

We are running homework club on Tuesdays for children who need more time to finish homework, during assembly time.
