

Year 3 Weekly update: Monday 23rd April 2018

Messages:

We have been loving learning to swim. We will continue all of this week. School will be closed on polling day 3rd May and for Bank Holiday 7th May.

Maths:

This week we are converting fractions to decimals. We are also looking at equivalent fractions and ordering and comparing fractions of amounts.

English:

We are doing a non-fiction, information text about Hinduism. We will be sorting facts under headings and subheadings as well as writing in a more formal way.

Homework:

Please select a task from the project homework. Please also practise spelling. Perfect paragraphs have been removed but children will be asked to use the spelling words in a sentence.

The maths homework is now on Mathletics – please complete three activities in the fractions folder. For extra challenge, try some Problem Solving as well. If your child needs access to a computer, they can come to one of the Mathletics sessions we offer in school on a Friday lunchtime.

We have given everyone an Accelerated Reader band – you can go to the library every day after school and find new and exciting books at your child's reading level.
