### Science:

Our new science topic is 'Electricity'.

This week, children thought about objects that need electricity to work. Next week, we will be building simple circuits and drawing what we have made scientifically.

### Enabling Enterprise

We are having a special week of lessons this week as part of our Enabling Enterprise project. This week we will be working in teams to redesign our book corner to make it more inviting.

On Friday, we will be inviting parents to come and see what we have done.

### Homework:

New homework will go home today.

Please remember, following parent feedback, changes have been made to homework this term. Year 4 will no longer have Perfect Paragraph, and topic and science are optional; however, **spellings, times tables and Athletics are compulsory every week.**

Homework club is held in Shakespeare classroom during Friday lunchtime. Please encourage your child to go if they need help or would like a head start on their homework!
