

Messages:

Please remember that your child needs to bring in their P.E. kit and musical instrument every **Tuesday**.

Those children taking part in the Shakespeare performance this year, rehearsals will continue to take

Maths:

In maths we are focusing on basic operations. Year 5 children need to be able to add and subtract decimals (including money) and multiply by up to two digits. Your child needs to divide using a single digit number and to round up or down as appropriate for each question. Thank you to those parents taking the time to help them with their times tables. A secure knowledge of times tables makes learning these easier.

Spellings: Please find time to help your child with the spellings at home.

understandably	material
arguably	medicine
regrettably	mention
responsibly	minute
terribly	natural
accessibly	

Writing:

This week we will be focusing on planning, writing and editing or whole school writing sample. Please talk to your children about their topic which they will be given on Monday. You may assist them by helping them create word banks and practising the spellings for these.

Reading:

Children will continue their one-hour reading lessons and their reading teachers will be carefully tracking their home reading. All groups are will be focusing on decoding, fluency and reading with expression.

Topic:

Children will continue to learn about the Anglo Saxons. We will continue to explore historical artefacts and consider how these artefacts play an important role in helping us to understand what life was like in Anglo-Saxon Britain.

Science:

In science we continue to group and compare materials in our topic on Materials and their Properties.

As well as weekly maths, spelling and perfect paragraph homework, your child has the option to complete a topic activity and the science experiment from their homework grid. Homework is due on **Thursday**. New homework is sent home by **Friday**.

	Topic: Anglo Saxons (choose at least one activity)			Science
<p>Week 6</p> 	Design three patterns that use one line of symmetry.	Design three patterns that use rotation.	Design three patterns that use both symmetry and rotation.	Science investigation – See homework grid Due date – Monday 29 th October 2018

Every child is welcome to attend Lucy's homework club for support and access to the Internet every Tuesday lunchtime.
