CATERING **EXCELLENCE**

ACCENT CATERING

At the heart of everything we do is our love of great tasting, fresh and healthy food, prepared by teams who care. We know pupils consider fast food as the biggest treat imaginable but we know that it does not make you feel good or live well.

That's why we focus on every single aspect of our food to ensure our customers get the very freshest, natural fast food that is healthy, great tasting and nutritious. Over 98.3% of our food is prepared from fresh, all our meat Red Tractor assured, fish from sustainable stocks only and the fruit and veg UK sourced where possible.

OUR MENUS

All our food is prepared from fresh, including a great range of dishes that will appeal to every child. We have used simple words so you can recognise the dishes but the same passion and care goes in to ensuring the curry is tasty but mild, the pizza homemade using our own 'secret' tomato based sauce, the Mac'n'Cheese as good as at home. In fact we go to great lengths to ensure every single dish and accompaniment is good enough to serve at home - delicious and nutritious!

ALLERGENS

Whilst we have a nut free policy, all our food is prepared in an environment **where food allergens and nut traces may be present**. All food allergens are identified on our menus or packaging but if you have special dietary requirements on a daily basis, please speak to our Chef who will be happy to let you know what you are able to eat and if nothing on the menu is suitable, they will find you an alternative!

MARKETING

All of this is backed up with great marketing. We run monthly Special Day menus including The World Cup, Christmas, Pancake Day and Wimbledon along with our annual themes to help customers understand where food comes from and encourage them to try new and innovative dishes. This year's theme is 'Eat the Rainbow' which focuses on different coloured ingredients and health benefits every month!

FREE SCHOOL MEALS

If your child is entitled to Universal Infant Free School Meals or Free School Meals, we would encourage you sign your child up for lunch. It is great value for money, the portion sizes are generous and seconds always available. It is a great way to ensure your child has the best meal and is ready for the afternoon activities at school.
