RE: Parents evening

Dear Parent/Guardian,

In line with guidance from Public Health, we have decided that parents' meetings will continue to happen via phone call this term. We had hoped to do them in person but we have been advised not to, so that we keep everyone safe. We are hopeful that we will be able to resume face to face meetings in the Spring Term.

Your child's teacher will arrange meetings with every parent in their class. You will be notified of your time slot by via text. The call will last a maximum of 10 minutes.

We will also provide some guidance about how to help your child during the Christmas holiday. You will receive an information sheet appropriate to your child's key stage in the last week of term. We hope you are looking forward to discussing your child's progress as much as we are.

Kind regards,

Caroline Haydon
Assistant Headteacher
