

Friday 6th November 2020

Dear parents/carers,

It is BBC's Children In Need Day on Friday 13th November 2020, this year focusing on children's mental well-being. To mark the occasion and help with fundraising, we will be holding a non-uniform day and encourage all the children to fancy dress or wear bright, cheerful colours to school. If you would like to make a voluntary donation on the day (we suggest £1 per child but this is entirely up to you), please send your child in with it, we will have collection buckets in school.

Yours sincerely,

Kirstie Stroud

Deputy Headteacher
