RE: Consultation of Montem and Duncombe Schools

Dear Parents/Carers

We hope that all parents now know that Islington Council has submitted a proposal to amalgamate Duncombe and Montem School on the Duncombe Site. If this proposal is accepted, Duncombe School will remain to serve this community and will welcome Montem pupils.

Islington Council would like parents views on this proposal. The consultation period started today and will close at 5pm on Wednesday, 20th December

Next week, we are inviting parents to complete their response at Duncombe school so we can offer support. Parents will be able to use our chrome books to give their views on this proposal. These will be set up on the bottom floor of the school house. We encourage as many parents as possible to respond to the consultation so your voices are heard.
