

Monday 23rd March 2020

Dear children,

It will be very strange not seeing all of your lovely faces at school over the coming weeks but it is very important that we all stay healthy. Feeling ill isn't very nice so we need to make sure as few people as possible get the bug.

While school is closed, there are lots of things you can do at home to keep busy:

- Follow the Home Learning Timetable that has been sent out.
- Play games with your family
- Read a book
- Do keep fit in your living room
- Help with cooking and baking
- Draw pictures
- Work through your home learning pack
- Facetime or video message some of your favourite people
- If you have a computer there are loads of websites with activities (go to the Duncombe website and look at the Home Learning page for LOADS of ideas)
- Write a story
- Help keep your home clean and tidy
- Dance around your kitchen or bedroom

Did you know that we have a Duncombe youtube account so teachers will be recording video messages for you to watch? There is a link on the homepage of our Duncombe website ([www.duncombeprimary.co.uk](http://www.duncombeprimary.co.uk)).

Helen, Kirstie, Charmaine and Jane have all given phone numbers to your families so if you have any problems, your family can call us so we can help. They can also call the school between 8am-4pm Monday to Friday as there will be someone in the office to answer questions.

We will miss you all and will be thinking of you every day. We can't wait until we all get to be back in school together again.

Love from Helen and everyone at Duncombe!
