

How to use google classroom

Sign in for the first time:

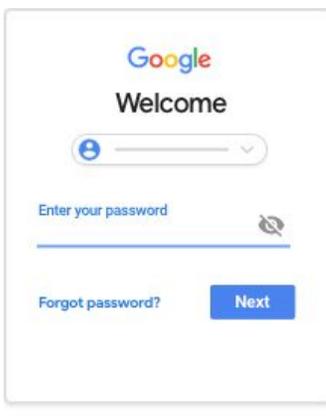

1. Go to classroom.google.com and click Go to Classroom.

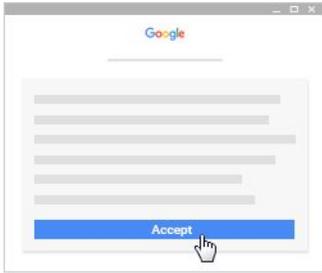

2. Enter your username and click Next. It is usually firstname.lastname@duncombeprimary.co.uk You should have been sent this but can ask for it from the school office or by emailing your class teacher (use the class name for this email address, e.g. martinlutherking@duncombeprimary.co.uk)

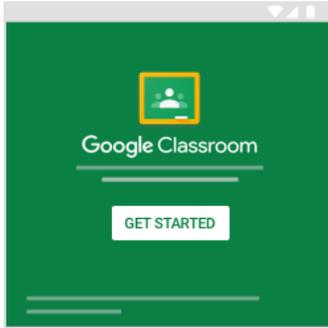

3. Enter your password and click Next.

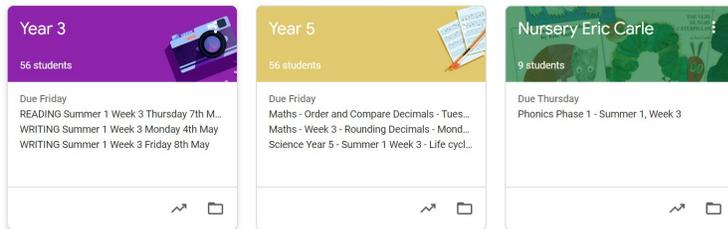

4. If there is a welcome message, read it and click Accept.

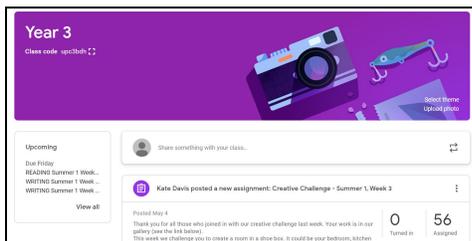

5. If prompted, click Get Started.

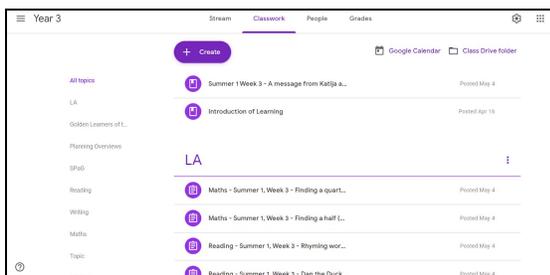

6. Your year group/class should already be loaded for you. Click on your class (you should only see one option here)

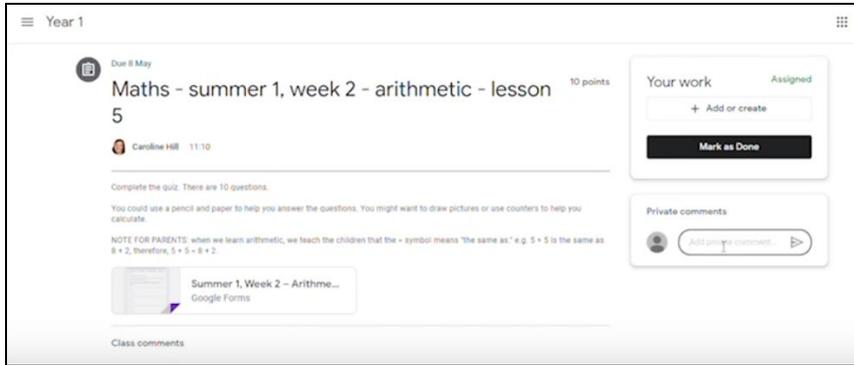

7. The class homepage has a stream showing the work assigned and any messages from your teacher. A Year 3 example is below:

You can click on 'classwork' at the top to see all the assigned work. See example below:

Any problems once on google classroom? Click 'Private comments' box on the right and send a message to your teachers explaining what you are struggling with.

This link will take you to a video of Caroline and Katija explaining all of the above, demonstrating a they explain each step: <https://youtu.be/DHxBIBpSDTY>

Why use google classroom?

1. Your teacher will explain the work you have to do each week and how to do it.
2. There will be links to videos that will help you do your work.
3. You can send your work to your teacher.

You do not have to do the work on a device. It can be done on paper and uploaded easily onto google classroom so does not have to mean a lot more access to a computer or device.

You weekly overview will look like this:

Duncombe Weekly Planning Overview Summer 1, Week 2				
	Maths	Reading Comprehension	Writing	Project Task: Where do you live?
Monday 27th April	Compare the different lengths using <, > and = symbols. Think about the difference between metres and centimetres.	Read the text 'The Wall of Fear' out loud to your family and answer the questions.	Read the information about first and third person. Look at the sentences and write down whether it uses first or third person. Then, write your own sentences using first person.	Use your senses to draw what you can see from your window. Then use your other senses to describe what you can hear and feel.
Tuesday 28th April	Look at the objects and rulers to help you measure accurately. Measure household objects with a ruler and put them in order from shortest to longest.	Read the text 'The Wall of Fear' out loud to your family and answer the questions.	Look at the picture. Think about what you see and write down any predictions you have made about the picture.	Use your senses to guess objects in a feely bag.
Wednesday 29th April	Read the questions carefully and circle important information. Decide if you need to +, -, x or ÷ and find the answer.	Read the text 'The Wall of Fear' out loud to your family and answer the questions.	Look at the picture. Today, you are going to pretend that you are the person that lives in the underwater house. Write down the different things you need to pack, what you need to build and how you are feeling.	Find a place in your house and draw what you can see.
Thursday 30th April	Read the maths problems aloud with an adult. Think carefully about what the question is asking you to do. Draw a picture to help you find the answer.	Read the text 'The Wall of Fear' out loud to your family and answer the questions.	Look at the example of a diary entry. Today you will write a diary entry about what you need to do to prepare for the flood.	Design a new school uniform you would like to have.
Friday 1st May	Complete the mental arithmetic questions. Remember you could draw a picture, use your fingers or use related number facts to help you find the answer.	Watch the stories on our Youtube channel. Pick your favourite story of the week and write a book review.	Read your diary entry from yesterday. Today, you are going to write another diary entry about what your life has been like in the underwater house over the last two weeks.	What does the current Duncombe school logo look like? What does it mean? Design a new school logo that you think our school should have.

The overview will have three assignments highlighted (one maths, one reading and one writing) that you should be submitting to your teacher by the end of the week.

Golden Learners will be chosen by the teachers each week and put on google classroom to celebrate the hard work you are doing at home.
