

Tuesday 11<sup>th</sup> May 2021

Dear parents and carers,

We are pleased to inform you that this term, Relationships and Health Education will be taught to children in years 2 - 6 as part of our PSHE curriculum.

PSHE is personal, social, health and economic education. In this subject, children learn about how to be happy, healthy and safe, and how to thrive and flourish in their lives and in the world around them.

Relationships and Health Education became statutory in primary schools from September 2020. We attach the overview of lessons.

We understand that this education at school compliments and reinforces the vital education that you give your children on relationships and health at home.

We also recognise the importance of working together to create the most meaningful and relevant relationships and health education for your child.

Therefore, we would like to invite you to a parent meeting. We will inform you of what your children will be taught, and you can give us your thoughts and feedback.

We look forward to seeing you there.

If you have any questions, please leave a message with the office and I will get back to you.

Yours faithfully,

Ruth Traynor  
PSHE and RE Lead

## PSHE, including Relationships and Health Education

### Parent meetings on Zoom

#### Year 2 & 3

Topic: Y2 & Y3 RSE curriculum parent meeting

Time: May 18, 2021 09:10 AM London

Join Zoom Meeting
