Re: Duncombe's Family Nativity Night!

Dear parents/carers,

This year's nativity performance will be a bit different to usual because we cannot have families in school to watch the children performing it live. Instead, the plan is to make a recording of the Reception, Year 1 and Year 2 children performing the nativity and we will upload it privately to our You Tube channel. The link will be shared with families on Tuesday 15th December at 6pm so that we can all be collectively sitting at home on our sofas watching it together as a family. We will send the children home with some popcorn (or similar) to enjoy while watching it to make the event feel as special as possible. The private URL link will of course still work should 6pm not be convenient for your family but the idea of coming together while we can't really be together should be nice. The link can also be shared with wider family members remotely (grandparents, aunts and uncles etc) but we do ask that it is not shared more widely than that.

Please remember to respond to the online performance consent form so that we know whether or not your child can be included in this event and others like it that we will be doing this academic year.

Yours sincerely,

Kirstie Stroud
