

Messages:

Thank you for all your hard work and support this half term, it has been fantastic getting to know you and the children.

As London has now entered Tier 2, we would ask parents not to come in to the cloakroom or classroom.

Maths

This week, we have been continuing counting. We have been learning how to incorporate counting into our daily routine and have been counting objects, actions and sounds.

Please see the separate phonics letter for more information about Read Write Inc.

Literacy

We have been rhyming all week!! We are trying to listen carefully to rhymes and songs, paying close attention to how they sound. We are also writing the sounds we have been learning each day.
