

Messages:

Please label all your child's items clearly, it can be difficult to make sure everyone has the right equipment when they are all identical! Please bring in your 'All About Me' forms if you haven't done so yet.

Thank you parents for all your support so far. It is lovely getting to know you all.

This week:

Well done for a wonderful second week in school. The children have been so busy learning and building friendships.

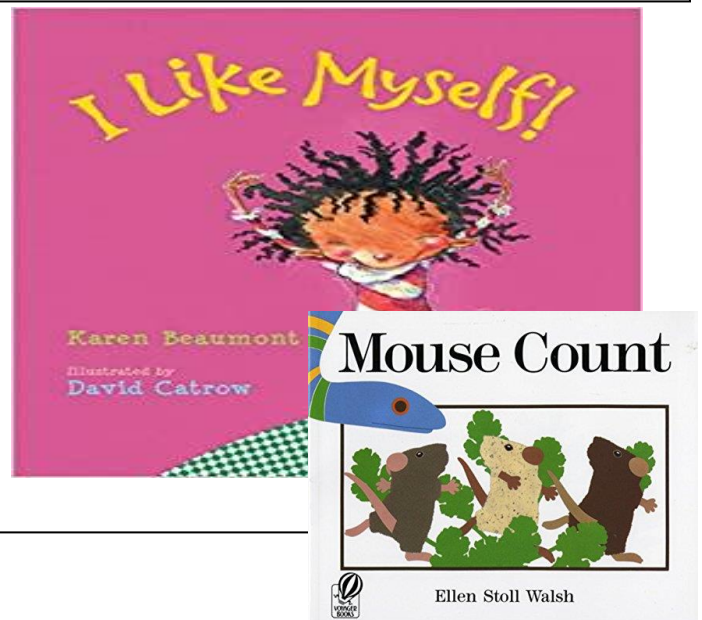

We have started to read the book 'I Like Myself' and to think about what makes us all special. The wonderful identity boxes that have been sent in have been a great way to learn more about each other. Next week we will be looking at where in the world we all come from using this week's homework to help our discussion.

We have also been looking at the story Mouse Count which has helped us to count to ten.

You can watch these stories online at home together [here](#) and [here](#).

Music:

We had a fantastic drumming lesson with Norris this week, learning lots about rhythm. We also had a really fun music lesson with Lena, listening to different types of music.

Homework:

This week we would like you to -

- Please complete the 'Where Do We Come From' sheet. This would be a great opportunity at home to talk together about your family and heritage
- Work on the 'Mouse Count' sheet to match the number to the jar
- If you are looking for something else to do at home, you could help your child practice writing their name
