

Dear Parents/Carers,

Please ensure that your child has enough spare clothes in the bag provided on their peg.
Please make sure your child brings to nursery their water bottles each day.

Thank you.

Maths

In Maths, this week we are learning about subitising numbers 1 to 5, this means they don't need to count a number of objects, for example, if there are 5 or fewer, they can look at them and establish how many there are. Vocabulary will include: what did you see?, How many can you see?

Play the game " Shape Patterns" to reinforce pattern sequences .

<https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>

Children also practice counting forwards and backwards numbers 1 to 10

Play online a counting game;

English

This week our focus story is 'I am enough'. We will be talking about embracing differences. Children will be learning to recognise diversity. This story teaches children about showing respect and kindness to others.

Story vocabulary will include:

'I am enough. I am here to shine. I am here to be everything I can. I am here to shine. I am here to grow. I am here to learn.

Homework

Please practice reciting numbers past 5.
