

Reception Weekly Update

06.12.21

Dear Parents,

With just two weeks left until the winter holidays we have lots of fun to pack in. We will be making cards and salt dough decorations and continuing to learn our Winter Play. Our class parties will be Thursday 16th, so we will need party food donations that do **not** contain nuts next week please.

We all enjoyed our first trip last week to Whittington Park and are excited to be going again, but for an even more exciting, longer session with The Garden Classroom. So on **Wednesday** please remember to dress warm again and bring those **backpacks and water** bottles. Again, school will be providing packed lunch unless you always bring your own packed lunch.

Remember Friday is Christmas jumper day! We look forward to seeing your festive jumpers – remember home made additions to one of your old jumpers will be more likely to win the prize for creativity, so don't feel you need to buy a new one.

Literacy -Writing & Phonics

We are re-capping all the sounds learnt so far over the next two weeks, so we are ready for our new phonics groups in January. Please practice these with your child as well as the tricky red words (that you cannot sound out):
I, the, of, my, to, no.

Maths

Exploring time – night and day routines, how long something takes, how many times you can do X in 10 seconds or in a minute?
As well as learning our days of the week and beginning to remember some months of the year.

Topic

We are finishing off our Core Book Stick Man, ending with an immersive session about Stick Man in the park on Wednesday. We will then be looking at non-fiction books, primarily about polar animals and cold climates.
