

ASPIRE

Reception Weekly Update 13.12.21

Dear Parents,

As this is the last update before the holidays may we wish you a very happy holiday and enjoy your family time together. If you are exchanging gifts please remember quality time and laughter with family will be remembered far longer than plastic toys which may last a year.

Wednesday is our winter play and we will let you know shortly how you can watch it online. The children have all been amazing putting in the time in rehearsals so we hope you enjoy it.

Wednesday is Christmas Lunch and we have been making our party hats ready for the occasion. Santa may also be paying us a visit which is exciting.

Thursday is our party day – thank you for the food donations so far. Please ask your teacher if you're not sure what to bring (no nuts or homemade foods please).

Remember **Friday** is early finish – at 1.30.

It has been lovely talking to some of you already for parent's evening. Looking forward to speaking to the rest of you this week

Literacy -Writing & Phonics

We are re-capping all the sounds learnt so far this week, so we are ready for our new phonics groups in January.

Please practice these with your child as well as the tricky red words (that you cannot sound out):
I, the, of, my, to, no.

Maths

Numbers 1-10 in festive style. Helping Santa count the presents and counting the decorations etc.

Topic

We will be having fun making salt dough, cards, hats and having parties to celebrate the end of a long, fun term together.
