

# Reception Weekly Update

10.1.22

Dear Parents,

We are enjoying settling into our new routine of split phonics and daily learning after the break.

We now have drumming with Norris on Wednesdays and singing with Lena on Thursdays.

Please remember for **PE on Tuesdays** children now need a **plain white T-shirt** to change into.

Thank you to those who have already paid their consumables school donations of £3 for this half term. Please can you hand it in to staff if you haven't yet.

Have a lovely week all. 😊

## Literacy -Writing & Phonics

Learning a new story – Whatever next. Re-telling a story and learning new vocabulary.

In our phonics groups we are now all learning different sounds, your weekly homework will show you what phonics we are learning.

## Maths

Weight.

Which is heavier/ lighter?

Test two objects in your hands at home.

When you've had a few goes, first predict which you think will be lightest/ heaviest?

## Topic

We are starting our new core book – Whatever Next!

Where baby bear goes into space. We are therefore going to be delving deep into space this half term.
