

## Year 4 Weekly update: Monday 16<sup>th</sup> November 2020

### Messages:

PE is on Monday and Thursday.

Children need to wear their Duncombe PE kit to school on these days.

Homework is given out on Friday.

Children return it on the following Thursday.

Children in Need Dress Up has been moved to the 27<sup>th</sup> November so all of the children in school can enjoy.

With kind regards,  
Year 4 team

### Maths:

Children will have a look at dividing by 10 and 100. They will also look at multiplying by 1 and 0. The children have really impressed us with their knowledge on multiplying so far, using lots of mathematical language!

### English:

Children will carry on drafting their own version of the "Tale of the Two Brothers". They will spend time editing and revising their own work, then finally editing. They have created some amazing stories with great vocabulary!

### Topic and Science

Topic: Children looked at Remembrance Day last week, so will begin exploring the Kingdom of Benin and what it was like to live there this week.

Science: Children will do an exciting experiment this week, looking at whether dark, white or milk chocolate have different melting points. A really exciting experiment!

### Reading:

Thank you for reading with your child and signing their reading diary.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
