

Year 4 Weekly update: Monday 7th December

Messages:

PE is on Monday and Thursday.

Children need to wear their Duncombe PE kit to school on these days.

Homework is given out on Friday.

Children return it on the following Thursday.

We want to say a massive well done to Year 4. These are hard times and they are working harder than ever! They are making lots of progress and should be proud.

With kind regards,
Year 4 team

Maths:

We can't believe it is the time again already, but Year 4 will be completing some Maths assessments this week. This is so they can show off everything they have learnt in the last half term. We will be putting in some revision lessons too. Nothing to worry about, they will be great!

English:

Children will be developing their writing even further linked to our Africa topic. They have created some amazing pieces so far! They will also be completing a reading assessment so they can showcase how much they're learning. A busy week!

Topic and Science

Topic: Children will learn some more about the Kingdom of Benin. Children will also enjoy a range of activities celebrating the lead up to Christmas!

Science: Children will continue exploring Scientist Jabir Ibn Hayyan – celebrating diversity in Science!

Reading:

Thank you for reading with your child and signing their reading diary.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
