

Year 4 Weekly update: Monday 12th July

Messages:

Happy new week Year 4!

We can't believe how quickly the end of term is approaching! This week, the children will hopefully compete in Sports Day since last week's was postponed due to weather. The children also will be going on a school trip to Whittington Park on Tuesday morning. We can't wait to have a morning outside, with fresh air, games and lunch. Please ensure your child has a water bottle and sun hat. Lunch will be provided but please provide your child with one if you like. Children will also be meeting their Year 5 teachers this week! PE is on Tuesday and Wednesday. Children need to wear their Duncombe PE kit to school on these days.

We are really emphasising the importance of Reading at home and completing DoodleMaths and Tables daily for homework. Please encourage your child to do this.

Thank you for your continued support!

With kind regards,
Year 4 team

Maths:

Children will be recapping their learning on Fractions. They will be looking at finding equivalent fractions, finding fractions of an amount and writing common equivalent fractions as decimals.

English:

Children will explore poetry by Karl Nova and use his poems to inspire their own poetry. They will also do a few skills lessons.

Topic and Science

Children will continue to look in depth at their RSE and PHSE topics. They have had great conversations so far!

Reading:

Thank you for reading with your child and signing their reading diary daily.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
