

Year 4 Weekly update: Monday 5th July

Messages:

Happy new week Year 4!

We are rapidly moving through the term and the children have completed their assessments. This week, Year 4 will have their 'Into University Workshops' and compete in their Sports Day. Unfortunately, parents cannot attend the Sports Day due to Covid-19 restrictions, but we ensure your children will be well supported by peers and teachers!

PE is on Tuesday and Wednesday. Children need to wear their Duncombe PE kit to school on these days.

We are really emphasising the importance of Reading at home and completing DoodleMaths and Tables daily for homework. Please encourage your child to do this.

Thank you for your continued support!

With kind regards,
Year 4 team

Maths:

Children will be looking through their test papers so they know which areas they need to develop on for Year 5. Children will start a small revision topic on money and work with decimal numbers.

English:

Children will find out their writing levels from their writing assessment and see what their areas for development are for Year 5. They will also explore some Grammar and Punctuation skills that are needed to develop their writing.

Topic and Science

Children will continue to look in depth at their RSE and PHSE topics. They have had great conversations so far!

Reading:

Thank you for reading with your child and signing their reading diary daily.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
