

## Year 4 Weekly update: Monday 23rd November 2020

### Messages:

PE is on Monday and Thursday.

Children need to wear their Duncombe PE kit to school on these days.

Homework is given out on Friday.

Children return it on the following Thursday.

This Friday is our rearranged Children in Need – children can dress up and bring in £1!  
Please encourage your child to use Doodle Maths as much as possible.

With kind regards,  
Year 4 team

### Maths:

Children will look deeply at their times table knowledge this week. They will recap their 2, 5 and 10's and then solve problems with their 3 and 6 times tables. They will also explore how to use Venn and Carroll diagrams. Very exciting!

### English:

Children will carry on working with the "Tale of the Two Brothers". They are going to innovate the story into their own version of a traditional tale. The children produced some amazing writing with this tale and we look forward to reading more!

### Topic and Science

Topic: Children will continue to explore the Kingdom of Benin and learn how it came into creation.

Science: Children will write up their results to their Chocolate Melting Experiment. They will show their ideas in a bar chart and draw their own scientific conclusions.

### Reading:

Thank you for reading with your child and signing their reading diary.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
