

Year 4 Weekly update: Monday 19th October 2020

Messages:

PE is on Monday and Thursday.

Children need to wear their Duncombe PE kit to school on these days.

Homework is given out on Friday.

Children return it on the following Thursday.

We would like to say a massive well done to all pupils in Year 4, who have had a smashing first term!

With kind regards,

Year 4 team

Maths:

This week, children will be showing off everything they have learned in their Maths lessons so far in assessment week. They will have a couple of revision lessons and then will have some assessments to do throughout the week.

English:

Children will continue to look at non-fiction texts and showcase their knowledge on Africa and Nigeria through some persuasive writing. Children will also take a reading assessment this week, which I'm sure will be super impressive!

Topic and Science

Topic: children will explore the human and physical geography of Africa. They will also have a chance to look at more Black History topics in light of Black History Month.

Science: children will explore the water cycle and how the state of water changes throughout it.

Reading:

Thank you for reading with your child and signing their reading diary.

Children will continue to bring their diary and reading book home with them every day, and then bring them back to school the next day.

Reading diaries will continue to be checked every morning.

Thank you for your continued support.
