

Messages:

We are so happy to have MLK back in school this week! We are so proud of how hard they worked at home. It was brilliant to speak to so many parents last week. If you haven't had your parents evening phone call yet, please contact the office and let them know the best phone number to contact you on. This week, Year 5 will continue well-being sessions with Vanessa.

The Year 5 Team - Kate, Nazia, Daniel, Camila, Ellie and Louis

Maths:

This week Year 5 will be focusing on multiplying and dividing numbers by 10, 100 and 1000. Throughout the lessons, we will be looking at where these skills are useful in a real-life context, such as measurement conversions.

English:

Reading:

This week, Year 5 will continue to read Skellig. As we learn more about the characters, the children will start to think about what they can infer about them by what they say and do.

Writing:

Year 5 will assess the effectiveness of their own and others' writing. They will think carefully about vocabulary choice, grammar and punctuation. They will then publish work using neat joined handwriting.

Talk Homework:

We are reading The Highway Man in English.

Retell the story to someone at home.

Who is your favourite character? Why?

Whom do you dislike? Why? What is

Spellings: Please find time to help your child with the spellings at home.

straight- talking	goose
camera-ready	geese
super-hero	child
super-strong	children
straight	tooth
strange	teeth
strength	
special	

Topic:

Year 5 have worked really hard in their Viking topic so far. They have made some excellent clay tankards and completed some wonderful homework. This week, will be writing a newspaper report about the Viking invasion.

Science:

Year 5 will use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky and describe the Sun, Earth and Moon as approximately spherical bodies.

Please remember that Year 5 arrive at 8.45am at the park gates and finish school at 3.20pm from the Junior Playground
